

YEAR 2 PLANNING FOR WEDNESDAY 22ND APRIL 2020

Dear Year 2,

Well done to all of you who joined the Live Google Meets again yesterday. We are going to keep practising today!

You should all now have set yourselves up with your Google email account as explained in the emails from the office. You are already part of 'Miss Emma's Year 2 Class' and you should have some important messages in your inbox! Please reply to the invitations to join the group Google meets by clicking 'yes'. If you haven't done this, please make it your first task of the day.

There will be some times when you are waiting for your turn to join the Google meet live lesson with me or your Spanish teacher. I will set some simple independent tasks for you to complete at these times.

Please try to use these first couple of days to get back into the routine of the school day. If you are given an "assignment" on the classroom, please try to do this between 9am and 4pm so that you can ask questions during the school day and turn it in on time. This means that you then have the evening to be free with your family.

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky, but if you do need some support, let me know and I will do my best to answer you as soon as I can when I am not 'live'.

You can email now me directly on year2@calpeschoolonline.com .

LIVE GOOGLE GROUP MEETS- Literacy, Topic and Story time

We will meet in groups of 10 so we can practise working together in bigger groups. Your appointment invites have been sent to your new email @calpeschoolonline.com. They will appear in your Google Calendar, so click on them and click on the 'JOIN HANGOUTS MEET' link at the correct time and you should see me and your group friends on the webcam!

Some of you haven't opened any of the books so far, so PLEASE make sure that you do this today. By clicking the little bug icon on each page, you will be asked questions to see if you understand the story-you need to answer ALL of them.
