Literacy

- Read the 'The Enormous Turnip story power point' (found in the OneDrive folder from the link above (under Tuesday 17th March).
- Draw your own picture of all the characters pulling out the enormous turnip.
- From memory, draw all 7 of them in the correct order (i.e. without looking!)

Maths

- Find the 'Ordering Animals' worksheet in the OneDrive folder from the link above (under Tuesday 17th March).
- If you can print the worksheet, get your child to colour the 9th mouse, then the 4th tortoise etc. **or** get them to point to the correct one on the screen.

Phonics

- Play the 'tricky word' game from the web link below.
- Listen to the word by clicking the speaker icon, then read the words on the dinosaur eggs and click the correct egg.
- Remember 'tricky words' cannot be sounded out; you must learn to recognise them by sight.
