## **SPANISH RECEPTION**

Dear parents, as you know, Spanish lessons are linked with the EYFS curriculum. We are doing the same topic and similar activities. During this second part of the Spring term, we are focusing on "Glorious Growing". In Spanish we are learning about fruits and vegetables.

We are also learning a new sound every week. All the children knows the vowels sounds in Spanish and how to sound them out.

I am attaching some videos and songs to do some Spanish work during this situation. I hope everyone is having a good quarantine and soon we will be back to our routines. Be positive!

Hopefully the instructions are clear, but I will try to answer any questions or queries through the [info@calpeschool.com](mailto:info@calpeschool.com) email during the normal school day should you need any clarification. This two weeks we will be working with the fruits and vegetables.

- You can draw and say the name of some of the fruits from the video. If you are very brave you can also write them.
- Name the fruits and vegetables that you have at home or your favourites. Mi fruta favorita es...
- Remember the colours and sizes.
