

YEAR 3 PLANNING FOR WEDNESDAY 22ND APRIL 2020

Good morning Year 3,

I keep feeling proud and impressed at how quickly you adapted to our live lessons and the workings of Google Classroom! Remember that if you or your parents need help with anything, **you can email me directly on year3@calpeschoolonline.com** and we can arrange a live chat.

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know.

LIVE LITERACY – ACTS OF KINDNESS PRESENTATIONS

Aim: To present your acts of kindness

We will meet in groups of 4 for you to present your act of kindness to your group. Your appointment times have been sent to your new email @calpeschoolonline.com They will appear in your Google Calendar and you can click on the Google Meet link at the correct time and you should see me and your group of friends on the webcam! I am looking forward to hearing how you have been kind these last few days.

LIVE MATHS –THE ROUNDING METHOD

Aim: To use the rounding method to add and subtract

You have ALL been invited to the Live Maths lesson today. Let's remember how to mute our microphones and write a 'Q' in the chat box if you would like to ask a question because there will be lots of us. You will get a full explanation on what to do for this Maths activity. We are revising the rounding method because many of you asked me to re-explain before the Easter break. All the documents are in Google Classroom. **Please wait for the live explanations before completing them.**

INDEPENDENT TASK

Aim: To use each letter of the alphabet to make up words in different categories

This is a fun game to try first by yourself, then using a dictionary for the missing words, after using the Internet to research, finally asking members of the family for extra ideas. All the required documents and explanations are in Google Classroom.

KEEP BREATHING

Remember our easy Sa Ta Na Ma meditation for when you need to step away from the computer. Take some time for yourself and breathe. Follow the song here:

I am so excited to see your friendly faces live on Google Meet again today.
