

YEAR 3 PLANNING FOR FRIDAY 17TH APRIL 2020

Good morning Year 3!

This is your last Friday 'off' before we begin Summer term! Teachers have been busy preparing your virtual Google Classroom for the start of term next week and I hope that you are ready to try your best with us! We will try something new, give it a go and keep a positive attitude! What's for certain is that seeing your face on webcam will make me so happy.

Below are some ideas on how to keep busy today and on the weekend. I am updating Active Learn and marking your comprehension questions on Bug Club regularly.

See you on Monday 20th April in our Google Classroom! ☺
