

## **PRE NURSERY PLANNING FOR MONDAY MARCH 23 2020**

Dear Pre Nursery Parents,

Continue with the activities in the packs that were sent home. If you have used all the sheets provided, there are more of the same kinds of activities on [www.twinkl.es](http://www.twinkl.es) that you can print off if you have access to a printer at home. If you don't, mark making on any kind of material would be helpful to keep up their fine motor skills.

Watch Julia Donaldson read her story 'What the Ladybird Heard' – try to join in with the actions along with the children in the video!

Dear Nursery Parents,

Continue to work on your packs that were sent home. If you have used all the sheets provided, there are more of the same kinds of activities on [www.twinkl.es](http://www.twinkl.es) that you can print off if you have access to a printer at home. If you don't, mark making, pencil control and scissor control can all be made from plain paper. Just copy the work that I had sent home in their book bags.

### **Literacy:**

Read stories together. It can be in English or your home language. Ask your child questions about what is happening in the story, who the characters are, how might the story end.

We have been learning about Fairy Tales this term so if you have any fairy tale books at home, that would be great to read to them. If not, you can find English versions of the fairy tales on You Tube.

Watch Julia Donaldson read her story 'What the Ladybird Heard' – try to join in with the actions along with the children in the video!
