

YEAR 1 PLANNING FOR WEDNESDAY 15TH APRIL 2020

Good morning Year 1!

Half way through your second week of Easter holidays and isn't it whizzing by so fast! The weather has been mixed and has enabled me to do a little bit on my paint by numbers picture and I have also enjoyed a quick walk to my bins for some fresh air when the rain stopped.

Between doing some workout classes and Yoga, I have also been working very hard every day to prepare for next week's live lessons, which I hope you are very excited for. To prepare, please make sure you have a suitable place to work, such as a table or desk and a comfortable chair ready for your lesson times. I look forward to seeing your faces on Monday.

On the following page are some ideas to keep you busy over the holidays. Stay safe and well Year 1. Together, we will get through this. Team work makes the dream work!

Love,

Miss Gwenno
