

YEAR 3 PLANNING FOR THURSDAY 23rd APRIL 2020

Good morning Year 3,

You can email me directly on year3@calpeschoolonline.com if you need help.

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know.

LIVE LITERACY – Alphabet Verb Game

Aim: to think of verbs for each letter of the alphabet

Let's revise what are verbs and work as a group to think for a verb for each letter of the alphabet. All the documents are in Google Classroom. Please wait for the live explanations before completing them.

LIVE MATHS –THE ROUNDING METHOD PART 2

Aim: To use the rounding method to add and subtract

You have ALL been invited to the Live Maths lesson today. Let's remember how to mute our microphones and write a 'Q' in the chat box if you would like to ask a question because there will be lots of us. You will get a full explanation on what to do for this Maths activity. We are revising the rounding method because many of you asked me to re-explain before the Easter break. All the documents are in Google Classroom. Please wait for the live explanations before completing them.

INDEPENDENT QUESTION – Riddle

Can you solve the riddle? It's on your Google Classroom. Good luck!

INDEPENDENT – Friday Show and Tell Preparation

Today you must find a toy or game to present to your classmates tomorrow on Friday 24th April at 2:30pm. Then, prepare what you want to say. All the required documents and explanations are in Google Classroom.

KEEP MOVING!! P.E AT HOME WITH JOE WICKS

It is difficult to be at home and not have the chance to roam and play outside in the open air. Keep yourself active by joining in these home P.E videos that are uploaded every day! Find the link in Active Learn.
