

## YEAR 1 PLANNING FOR FRIDAY 10<sup>TH</sup> APRIL 2020

Good morning Year 1!

Just like that, we are nearing the end of your first week of Easter holidays. I hope you have been in touch with your family and friends. The time is going by super-fast and I am also enjoying the time to relax and unwind.

On the following page are some ideas to keep you busy over the holidays. I have been busy building a cat tree and trying to make my cat, Mimi, play on it! After many attempts, here she is on the top level. Hooray! I hope you are looking after your pets and giving them lots of care and attention.

Stay safe and well Year 1. Why not create a card with a little message inside to show that you are thinking of someone. Maybe your grandparents, uncles, aunties, a family friend or even, an elderly person who lives near you. A little card or a picture would be sure to make them smile.

Together, we will get through this. Team work makes the dream work!

Love,

Miss Gwenno
