

YEAR 1 PLANNING FOR FRIDAY 17TH APRIL 2020

Good morning Year 1!

Just like that, the Easter holidays are over! I hope you had a relaxing time with your families and kept in touch with loved ones over the phone and on video calls

Time has gone by so fast and I am very excited to see you all online on Monday on Google Suites for Education. You should all have received an email with your invitation to join Year 1 class. Please make sure to try it out and hopefully you can see a little message from me. There is no work set on here at the moment but this is where I will be setting work, inviting you to live lessons and asking you to send me emails.

As a reminder, please make sure you have a suitable place to work from Monday, such as a table or desk and a comfortable chair ready for your lesson times. Also try to get yourself your school books, sharp pencil, eraser and some lined paper ready. Remember to turn on your thinking caps too!

On the following page are some ideas to keep you busy over the last few days of your holidays. Stay safe and well Year 1. Together, we will get through this. Team work makes the dream work!

Love,

Miss Gwenno

Here are some ideas to keep you busy. Pick and choose, as you wish:

<p>Learn a new language Try to say "hello" in as many languages as possible!</p>	<p>Make a salt dough family piece Follow the instructions on the next page</p>	<p>Do the Hokey Cokey (green link on Active Learn)</p>
<p>  Go on Active Learn  </p>	<p> Bug Club Read a book </p>	<p>Go on </p>

Make the most of your time together as a family and try your best to make happy memories. The main point of these activities are for you to have fun and relax over the holidays.

Active Learn website, where you can find a link to Numbots and Bug Club:

Ingredients for this size -

500g of plain flour

250g salt

250ml of water (add slightly more water if necessary)

Bake in oven on lowest heat for 3 hours or until rock hard (or allow to air dry for a few days)

Instructions-

▶ Mix the flour and salt then add the water

▶ Mix into a dough

▶ Roll out onto flat surface into desired shape about 1-1.5cm

thick (remember to sprinkle some flour down to prevent sticking)

▶ Place on a baking tray

▶ Make hand imprints (as deep/clear as possible)

▶ place in the oven on the -lowest heat possible- and leave for 3-4 hours or until completely solid top and bottom. (Alternatively you can leave to air dry for a couple of days in a cool dry place)

▶ Paint with your choice of paints/colours

▶ Seal with any kind of varnish or sealer to preserve it. Varnish, modpodge, PVA and water mix

Just a few other questions answered...

Check the bottom is rock solid before you take it out and make sure you have it on the oven's lowest heat or it will burn instead.
