

## YEAR 2 PLANNING FOR WEDNESDAY 15<sup>TH</sup> APRIL 2020

Good morning Year 2,

How did you enjoy the Egg challenge? I hope your eggs made it safely down the zip wire! If you've eaten far too much chocolate, why not give today's dance session a go?

This next part is VERY IMPORTANT: your parents will be getting an email from school with instructions of how to set up your own email and password so that you can see our online classroom! Please can you try to do this as soon as possible so that you are ready for Monday. I have a little message waiting for you in the Stream and I am looking forward to reading your reply.

Miss Emma

Here are some ideas to keep you busy. Pick and choose, as you wish:

<h3>Make a Time capsule</h3> <p>You are living through History right now- collect some photos and things that will remind you of this time. Keep it somewhere safe to open in 10 years time.</p> 	<h3>Magic</h3> <p>Learn some magic tricks. You could even put on a Magic Show for your family!</p> 	<h3>Dance</h3> <p>Join Oti Mabuse for a live Dance class every day at 11.30 am UK, 12.30 Spanish time</p> 
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

These activities are here for you to have fun with over the holidays. Make the most of your time together as a family and let's try to use this time to do some of those things that we never usually have time to do!
