

YEAR 1 PLANNING FOR FRIDAY 27TH MARCH 2020

Good morning Year 1!

Congratulations on completing your second week! Well done to all of you working hard and sending me your work-it is always a pleasure to see your accomplishments and progress that you are all making!

Keep up the progress that you have been making on Active Learn and Numbots. You have all been accessing the new activities and making the most of all the new features we have available for you. Remember I am always just an email away if you have anything to ask or share.

You are all enjoying the new Reading Bug function on Active Learn. Remember to click on all the yellow bugs when you have read the pages. You must answer all the questions before getting a new book.

1. SPELLING

You have had your usual spelling lists this week to practise. Today, we would normally have our spelling test so I would like you to ask an adult to test you on your words.

After finishing, please write 3-5 sentences using the words you had in your spelling test this week.

2. NUMERACY

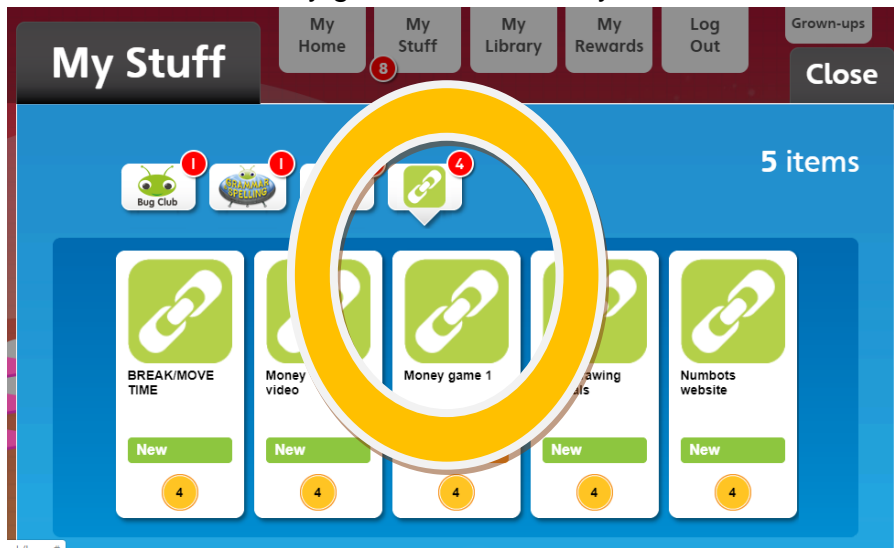

Let's recap coins and money. On the next page you will see a sheet of coins. If you can print these off-brilliant, if not, try to draw the coins needed.

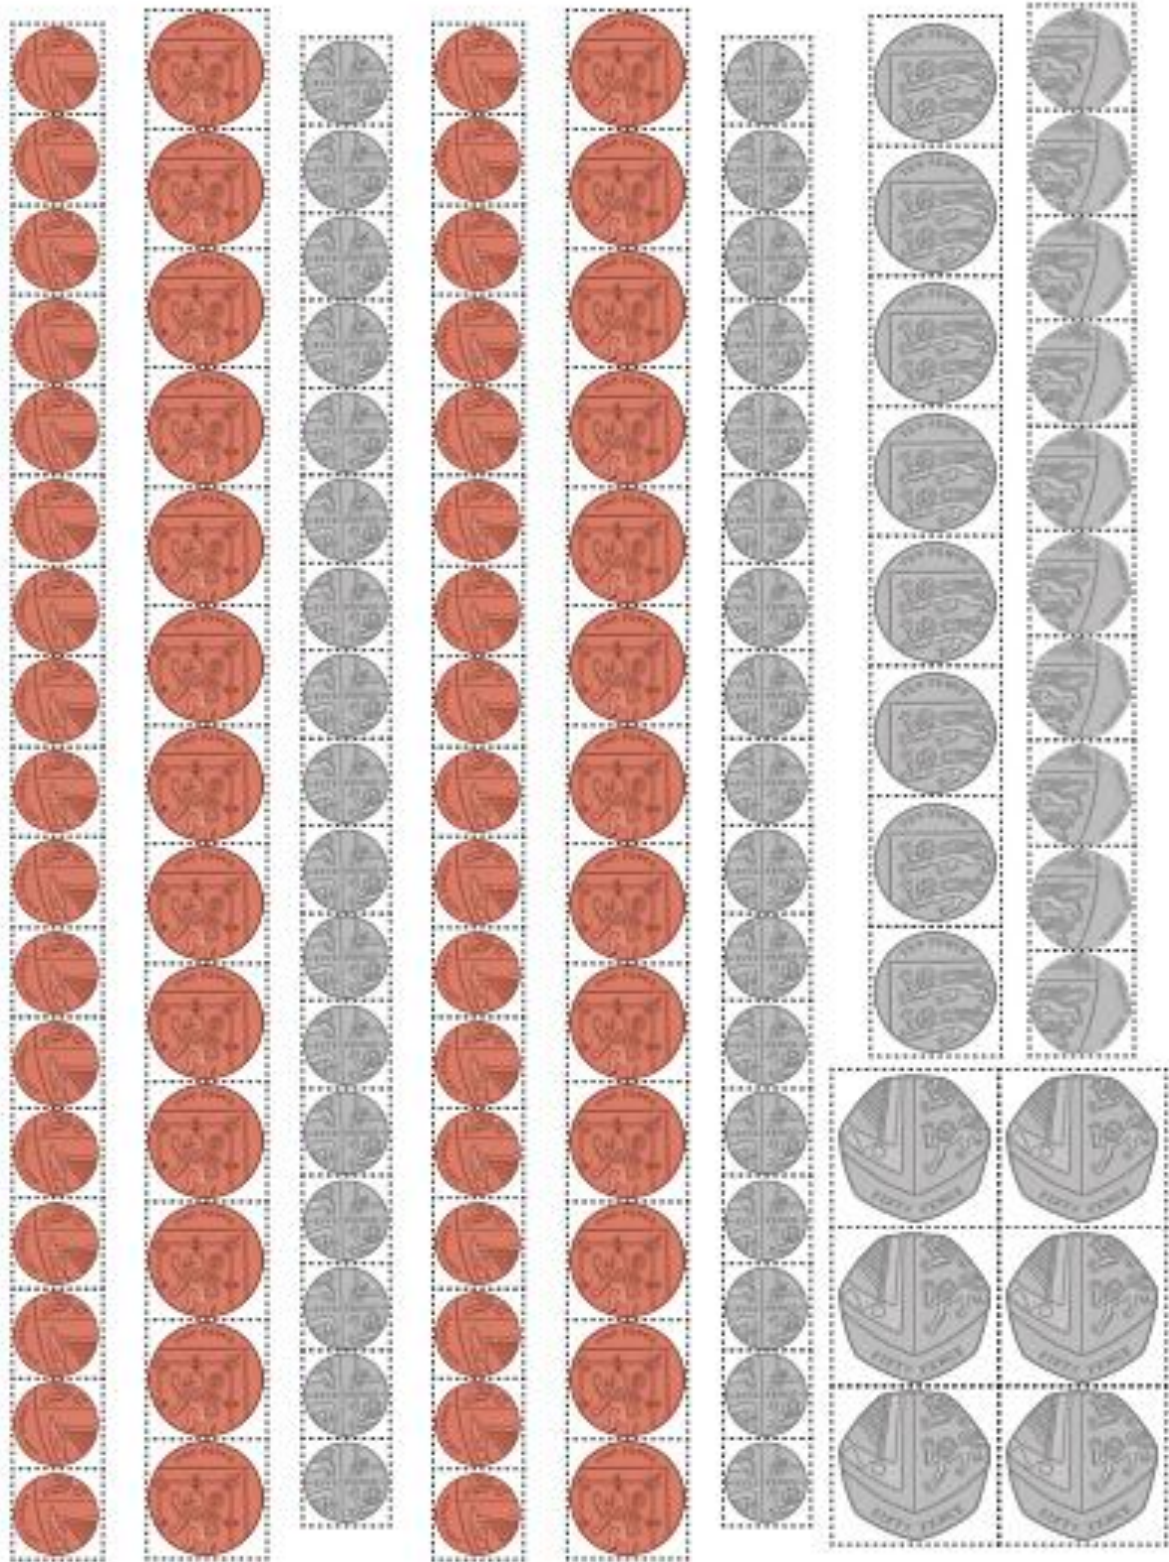

On the pages after the coins sheet, there are some sheets with stars at the bottom.

- ★ One star means it is quite easy
- ★ Two stars means that it is ok and
- ★ Three stars means that it might be tricky

I will let you choose which one you would like to complete. Good luck!

Remember the Money game 1 is under My Stuff and the Green link icon.

Make the following totals in the money jars by cutting out the coins on the next page.

2p

5p

7p

8p

9p

10p

Make the following totals in the money jars by cutting out the coins on the next page.

5p

7p

8p

11p

16p

20p

Make the following totals in the money jars by cutting out the coins on the next page.

27p

45p

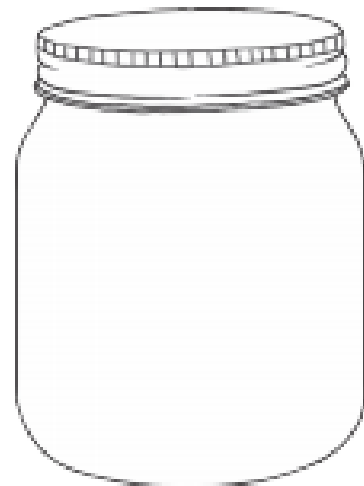

83p

39p

88p

96p

3. **LITERACY** Complete the following question. Remember to use: capital letters, full stops at the end of a sentence, give reasons why, use joined up handwriting, think and say what you are going to write before you write. Also, read over your work when you're finished. Please use a pencil to write.

If you could go anywhere, where would you go and why?

4. SCIENCE

Can you read and circle the correct name for the animals on the next page? Please colour in the animals too. Then, have a go at trying to answer the challenge. If you find the challenge hard to answer, there is always the animal video on Science Bug on Active Learn to help you. But don't worry – it is a challenge, so if it is too tricky, leave it!

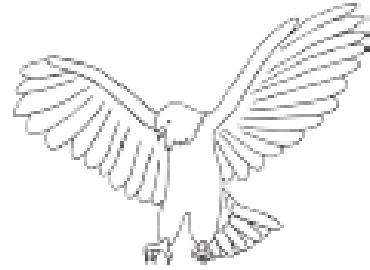

Name the Animal

Circle the correct name for the animal.

 <p>fish bird snake</p>	 <p>dog cat monkey</p>	 <p>bird fish lion</p>
 <p>lizard tortoise bird</p>	 <p>penguin whale fly</p>	 <p>monkey elephant alligator</p>
 <p>hamster dolphin ladybird</p>	 <p>hyena eel frog</p>	 <p>lion owl bat</p>
 <p>lizard butterfly cat</p>	 <p>beetle sheep duck</p>	 <p>whale worm goat</p>

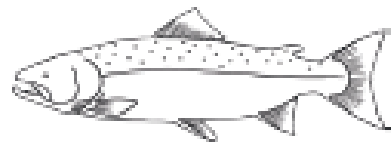

Animal Sorting

These animals are birds:

Write three things they have in common.

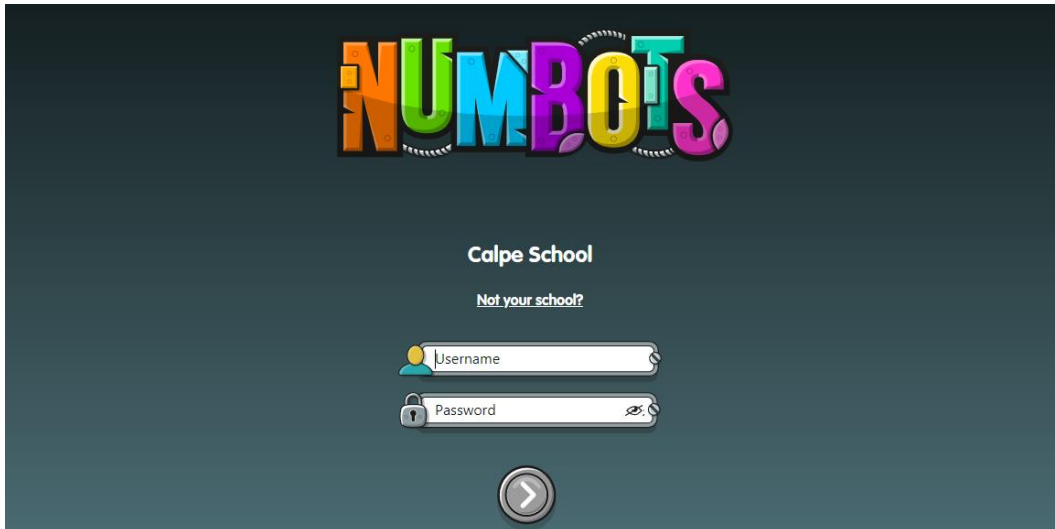

These animals are fish:

Write three things they have in common.

HOMework

- Read two new books under Bug Club. Remember you need to click on the yellow bug on some pages to answer questions. After that, you will get a new book!
- Finish any unfinished work from this week.
- Go on to Numbots and try to get faster with your Maths work.

- Also under the green link on my stuff, I have added two NEW Saturday activities to get you moving: Saturday dance and Saturday Yoga. You can do this on Saturday and Sunday, if you wish. Have a fun!

Thank you for all your hard work at home and remember, I am here if you have any questions or feedback for me on info@calpeschool.com. I will try my best to respond during normal school working hours. Please mark and check your children's work. If you could write Year 1 in the subject, this will help it to reach me.

Good luck and enjoy your weekend,
Miss Gwenno
