

Dear Year 4&5,

Well done for another great day yesterday! You have all adapted well to this new style of learning. Let's see how it goes today with some larger groups... fingers crossed it all goes smoothly!

You can email me directly on year45@calpeschoolonline.com or through the private message function on each assignment. I will try to answer your questions as quickly as I can.

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know.

INDEPENDENT LITERACY TASK:

ENGLISH READING BOOKS ON BUG CLUB – Active Learn

Today I would like everybody to read a book on Bug Club and answer the questions for that book. I know that some of you have been doing this regularly but today this is a set task so everyone needs to carry out some reading. **If you are reading a different book at home then your task is to read a chapter or two and then write a short passage to tell me what happened and send it via Google Classroom.**

Example:

KEEP MOVING!! TRY SOME ZUMBA!

It is really important to take a break and have some movement in your day! Maybe you can find one of your favourite songs here and copy the dance routine. Or even create your own routine and perform it in front of the mirror, or for your toys, or for your family! Have fun!

See you soon! Miss Carrie
