

YEAR 4&5 PLANNING FOR WEDNESDAY 1ST APRIL 2020

Dear Year 4&5,

I hope you've been clicking on the blank map of Europe because today we put your knowledge to the test! How many countries of Europe can you label on a blank map? Maybe you need to have one last go on the online Europe Map Quiz before you open the map!!

Here is a quick outline of your tasks for today – everything is fully explained in Google Classroom!

GEOGRAPHY

Aim: To label countries on a blank map of Europe

Quite straight-forward really – here is a blank map, some countries are numbered and your job is to tell me which country matches each number! You will find the full task in Google Classroom!
Good Luck!

NUMERACY: Year 5 Group MIXED NUMBERS

Aim: To convert mixed numbers to improper fractions

This is easy! Full instructions in Google Classroom!

NUMERACY: Year 4 DIVISION

Aim: To divide HTU by U using the “toaster method” (without remainders)

If you work step-by-step then this will be simple! Full instructions in Google Classroom!

ONLINE GAMES:

<https://www.activelearnprimary.co.uk/login?c=0&l=0>

CODE FOR LIFE – Computer Coding through “RAPID ROUTER”

Please try to complete the next 3 levels of Code For Life – I have a note of which level you have got to already. If you want to complete more than 3 levels, this is obviously great!

SCIENCE REVISION

I have added some games about Fossils, Shadows and Silhouettes so challenge yourself to see what you can remember!

ENGLISH READING BOOKS THROUGH BUG CLUB – Active Learn

Please keep reading the books in your book band. To receive a new book, you need to answer the questions in each book. Read the whole book first and then go back to the beginning and read it again, this time clicking on the little bug icons and answering the questions. Try to read and answer the questions to **one book every single day** (or half a book if you are on the Grey band)

Hopefully the instructions are clear, but I will try to answer any questions or queries through Google Classroom or you can send an email to info@calpeschool.com email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,
Miss Carrie
