

## **YEAR 4&5 PLANNING FOR TUESDAY 31<sup>ST</sup> MARCH 2020**

Dear Year 4&5,

Again, I want to say thank you to all pupils and parents for the strong effort that you are putting in at home. It is not easy to create a “learning environment” in your home that matches that of school but you are all doing an incredible job and your efforts are appreciated 100%.

Here is a quick outline of your tasks for today – everything is fully explained in Google Classroom!

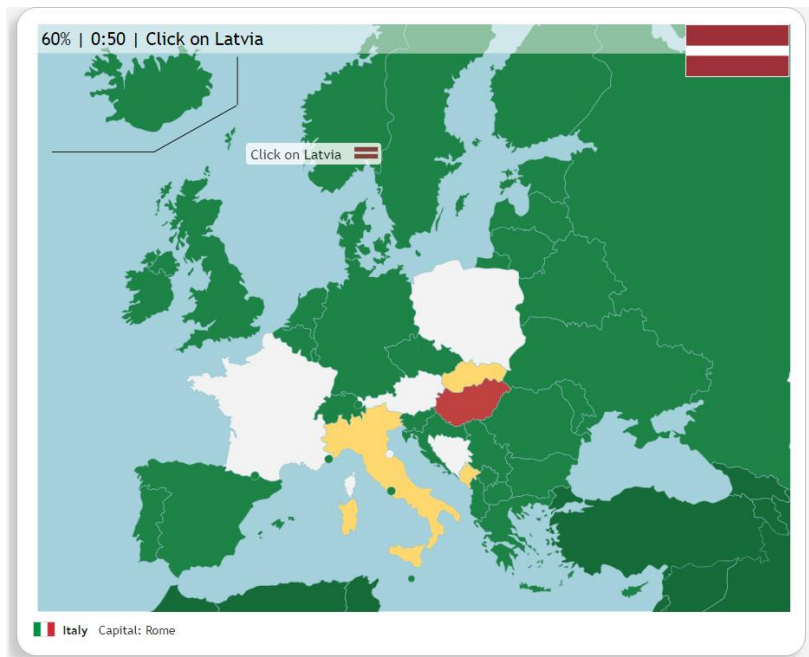

### **ONLINE GAME:**

### **EUROPE – MAP QUIZ – You need to try this before we have a check-up TOMORROW!**

How many countries can you identify on a map of Europe? Play this game to test your skills and improve your general knowledge of Europe!.

If you scroll down below the interactive map, there are many other options for testing and improving your Geography map and atlas skills. Have fun!

### **LITERACY:**

**Aim: To use synonyms for “said” when looking at the speech of different characters in our class novel**

You will find the full task in Google Classroom!

### **NUMERACY: Year 5 Group MIXED NUMBERS**

**Aim: To convert mixed numbers to improper fractions**

This is easy! Full instructions in Google Classroom!

### **NUMERACY: Year 4 MULTIPLICATION**

**Aim: To multiply HTU x U using Short Method**

If you work step-by-step then this will be simple! Full instructions in Google Classroom!

## ART CHALLENGE - ROB BIDDULPH DRAWING VIDEO

Rob Biddulph is a children's book illustrator who has started uploading short drawing tutorials to help us get better at our drawing skills and make good use of our time during quarantine.

Your job is to follow one of his tutorials and send me a photo of the finished result. We can even send them to Rob Biddulph himself! What will you choose?

GREGOSAURUS? SAUSAGE DOG? FRED BEAR?

Or KEVIN? **OR WILL YOU CHOOSE THE NEW TUTORIAL THAT HE WILL UPLOAD LATER THIS MORNING?!?!**

As soon as this is live on his website, I will let you know on the Google Classroom Message Stream.

## KEEP MOVING!! P.E AT HOME WITH JOE WICKS

Take your workout outside today while the sunshine lasts! Find the link in Active Learn!

### **The Body Coach TV**

1.21M subscribers • 350 videos

Welcome to the Body Coach TV where I post weekly HIIT workouts to help you burn fat and get fitter, stronger, healthier and lean.

If you would like to share the wonderful activities that you are doing at home on the Calpe Facebook page, send us your pictures! It can be of you completing worksheets but also Art projects, Science experiments, exercise or yoga videos or even fun games that you are doing with your family.

Hopefully the instructions are clear, but I will try to answer any questions or queries through Google Classroom or you can send an email to [info@calpeschool.com](mailto:info@calpeschool.com) email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,

Miss Carrie
