### My Corona virus time capsule

We are all having to stay at home for a long time to make sure we don't catch the virus or give it to anyone else. It feels a bit strange not going to school, or to the park, or seeing our friends but its not just people in Spain, lots of other countries are doing the same thing and we will remember this time in many years to come - when you are much much bigger! To help us remember what this time was like I thought we could make a time capsule.

What to do:

- Find a small box, like a shoe box, and decorate it– using pens, pencils, stickers etc.
- Things to put in your box:
  - photos of you and your family doing things during this time
  - pictures and crafts you have made during this time
  - newspaper articles
  - family photos, including pets
  - a drawing or a photo of your home – where you were during this time
  - items from events that you celebrated with your family e.g. birthdays, Easter, anniversaries
  - an 'All about me' page recording details about you and your family at this time.
  - a 'How am I feeling page' to remind you of what it felt like during this time - what did you enjoy and not enjoy?
- In Monday's folder in the OneDrive folder you will find a selection of templates to inspire you.

**Have fun – this should take a few days, so take your time. I would love to see photos!!**

## Rainbow pictures competition

In the many countries children are creating pictures of rainbows to put in their windows in order to spread hope amid the ongoing coronavirus pandemic and 'cheer up' those who are suffering.

We would like to encourage our children at Calpe School to make a rainbow to encourage the people around them.

- It can be as big as you like.
  - You can use whatever you have at home to decorate it.
  - You can add a positive message - e.g. stay safe, together we will get through this, be strong.
  - Send your photo entries to [info@calpeschool.com](mailto:info@calpeschool.com) by **Friday 17<sup>th</sup> April**
  - The best in each class will **win a book voucher** for the next book fair.
  - The winners will be announced on the first day of term, **Monday 20<sup>th</sup> April**
- \*There are templates in Monday's folder for you to use if you want to.\*

## Junk modelling collecting

- **Start collecting** 'junk modelling' items – boxes, cartons, yogurt pots, bottles, toilet rolls, straws, tubes, bottle tops - items that you would usually recycle.
- We will be using all these items to make models **next week**.
- Store them in a safe place until we are ready to use them.

**Check in again on Wednesday 8<sup>th</sup> April for more fun activities to try!**
