

**Dear Year 4&5,**

Welcome to Day 2 of Distance Learning! Thank you to everybody who has already set up Google Classroom and for getting started (or finished!) with lots of the tasks! I have seen a lot of activity on Active Learn – well done! I am keeping a checklist of who has completed their work and this will earn you House Points when we are back in school.

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know. All of the relevant documents and instructions can be found in our Google Classroom so if you have not set this up already, please do this as per the instructions on the previous email. If you need us to re-send the instructions, please send an email to [info@calpeschool.com](mailto:info@calpeschool.com)

### **NUMERACY Year 5**

**Aim: To add fractions (resulting in simple fractions and improper fractions)**

Don't panic – this is a lot easier than it sounds! All of the instructions are attached to your assignment in Google Classroom.

### **NUMERACY Year 4**

**Aim: To calculate the perimeter of rectangles and other rectilinear shapes**

All of the instructions are attached to your assignment in Google Classroom.

### **LITERACY: SIMILES – Oranges in No Man's Land**

**Aim: To identify similes within a given text**

You will find the instructions for this task in Google Classroom. We will be looking closely at the text 'Oranges in No Man's Land'.

### **ONLINE GAMES:**

#### **NAME THAT NOTE**

Miss Gwenno would like you to revise the music notes.

#### **TIMES TABLE ROCK STARS**

Please log in and play the GARAGE activity and send a photo of your results. If you want to change the time option to have more than one minute, click the little arrow underneath 'Play Solo' and you can choose 2 or 3 minutes.

The screenshot shows the 'GARAGE' online game interface. At the top right is a red 'PLAY' button with a guitar icon. Below this, there are three time options: '1 minute' (highlighted in red), '2 minutes', and '3 minutes'. To the left of these options is a 'Tables: Teacher Set' icon. To the right is a 'Play solo' icon with a person playing a guitar and a stack of gold coins with the text '10 per correct answer'.

Hopefully the instructions are clear, but I will try to answer any questions or queries through the [info@calpeschool.com](mailto:info@calpeschool.com) email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks, Miss Carrie
