

YEAR 4&5 PLANNING FOR THURSDAY 26TH MARCH 2020

Dear Year 4&5,

Finally we have a sunny day! Let's enjoy some time outside with our learning today!

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know. Remember that I am keeping a checklist of who has completed their work and this will earn you House Points when we are back in school.

NUMERACY YEAR 4 and 5

Aim: To collect data from your window/terrace/garden and create a bar chart

You will find the instructions for this task in Google Classroom.

LITERACY: ONOMATOPOEIA

Aim: To describe the world around you by listening carefully and using onomatopoeia

KEEP MOVING!! P.E AT HOME WITH JOE WICKS

Take your workout outside today! Find the link in Active Learn!

The Body Coach TV

1.21M subscribers • 350 videos

Welcome to the Body Coach TV where I post weekly HIIT workouts to help you burn fat and get fitter, stronger, healthier and lean.

ONLINE ACTIVITY FOR TODAY: ENGLISH READING BOOKS THROUGH BUG CLUB –

Active Learn

Please keep reading the books in your book band. To receive a new book, you need to answer the questions in each book. Read the whole book first and then go back the beginning and read it again, this time clicking on the little bug icons and answering the questions. Try to read and answer the questions to **one book every single day** (or half a book if you are on the Grey band)

HOMEWORK REMINDER:

Of course it seems a little strange to be calling your homework 'Homework' when all of the work is homework right now! However, I would like you to complete both sides of the second green maths paper (**Set 9**) and the activity in your **Vocabulary Booklet (dated 20.03.20)**. When these are done, you can send a photo to me. I hope you are practising set 3/10 of the National Curriculum Spelling Test words as we will have an activity based on these words tomorrow. If you have not already done these tasks, please complete them by 4pm on Friday 27th (tomorrow) Thank You.

If you would like to share the wonderful activities that you are doing at home on the Calpe Facebook page, send us your pictures! It can be of you completing worksheets but also Art projects, Science experiments, exercise or yoga videos or even fun games that you are doing with your family.

Hopefully the instructions are clear, but I will try to answer any questions or queries through the info@calpeschool.com email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,

Miss Carrie
