

RECEPTION PLANNING FOR FRIDAY 17TH APRIL 2020

Hi everyone,

It is the last day of the Easter holidays - I hope you had a good break and will be ready to start the new term on Monday! Below are a couple more ideas should you want to try them.

See you soon! Miss Laura. x

Using Class Dojo as an online learning platform

- **Get connected as soon as you can!**

- You will all receive an email with instructions for how to access a **new school email address** that we have created for you within the Calpe School G suites account.
- **An invitation to join Class Dojo** will be sent to the new email address.
- I will be undertaking **live** 'Group Time' sessions in small groups every day. These will be arranged via the G suites calendar. You will receive a set of reminders for how to make these sessions successful for your child.
- A **guide** will also be sent to you for how to use Class Dojo to access work, videos and resources; and how to communicate directly with me via an instant messaging facility.

Some more ideas to try:

When it's all over.....

Find some big paper and as a family write some things that you all want to do when we can go out and about again.

Continued on next page.....

Junk modelling!

Use some of the junk modelling items you have been collecting to make a model.
