

## YEAR 2 PLANNING FOR FRIDAY 17<sup>TH</sup> APRIL 2020

Good morning Year 2,

I hope you had fun making your special time capsule. If you learned any magic tricks, perhaps you can show us all next week! I'm looking forward to chatting to you on Monday, and I have been working hard to get things ready for our live lessons, so it's really important that you are ready too.

**Make sure you have accessed your email account and chosen a password. It's very simple to do, just follow the instructions in the guide and the email.**

Have a good weekend, get plenty of rest and make sure you set your alarm!

Miss Emma

Here are some ideas to keep you busy.

### Make a puppet

Try to use some old socks and craft things that you might have in your house to make some creatures!

### Phonics shoot and spell

Find yourself a nerf gun, some blu tac and some small pieces of paper. Write a different phonics sound on each piece of paper and stick them to the wall. Now shoot at the correct sounds to spell a word!

### Get your work space ready

From Monday morning, you will need to be ready to join the live lessons. It's important that you have a quiet space to work like a desk or table, and that you get your pencil and paper ready. Spend some time this weekend getting ready. Go to bed on time, rest and reply to my message on the classroom!

These activities are here for you to have fun with over the holidays. Make the most of your time together as a family and let's try to use this time to do some of those things that we never usually have time to do!
