

RECEPTION PLANNING FOR THURSDAY 19TH MARCH 2020

Morning everyone!

We are nearly at the end of our first week! Well done to everyone who has been sending photos of their work to info@calpeschool.com for me to see! I am very impressed. It has been great to see that you have also been logging onto **Active Learn** and playing some of the games I have added there too. I will be giving out some Dojo points when we get back! Well done to your mummies and daddies for helping you - I hope they have been learning lots too!

Today we will be thinking about the bean seeds that we planted and what they will look like when they finish growing. They have plenty of water and sunlight (on sunny days!) so they should be growing nicely while we are away!

Activities to complete today:

Please use the link below to take you to a folder in OneDrive called 'Reception resources for Home Learning'. Within that folder you will find resources for today in a folder called 'Thursday 19th March'.

<https://1drv.ms/u/s!AscxVKY2trk-goolTxs2S-rGg67U9A?e=FDKaPC>

Literacy

- Read through the 'Growing Beans' power point and watch the 'Bean seed growing' video, both found in Thursday's folder in the OneDrive link.
- Talk about the different stages of the bean seed growing – first the roots grow, then the shoot, stem, leaves, flowers and finally the bean pods.
- Find the 'Growing beans worksheet' – you need pages 1 and 2 only (found in Thursday's folder).
- Cut and stick **or** draw the 4 pictures of the bean lifecycle in the correct order.
- Can you label each picture too? You can use the 'Life cycle of a bean display posters' found in Thursdays folder to help you.

Maths

- Play the ordinal numbers game using the web link below.
- Follow the instructions and click on the correct vegetable.
https://www.softschools.com/math/ordinal_numbers/games/

Phonics

- Play tricky word BINGO!
- Print a 'BINGO! board' for your child (or make one) and the 'BINGO word list' for the adult to read. (found in Thursday's folder)
- If other members of the family are playing print/make multiple BINGO boards.
- The adult reads one word at a time from the BINGO word list and the child (and other family members) looks for the word on their board, if they have it they then colour the square.
- When all their squares are coloured in they shout BINGO!
- Remember 'tricky words' cannot be sounded out but must be recognised by sight.

Fine Motor Development (Busy Fingers)

- Complete the 'What do plants need matching' sheet.
- Read each word and carefully draw a line to the correct picture.
- Then colour the pictures in using the correct colours.

Additional activities:

Throughout the week you can continue completing the worksheets from the pack you received last Friday. Alternatively the link above will take you to a folder in OneDrive called 'Reception resources for Home Learning'. Within that folder you will find a folder called 'The Enormous Turnip resource pack'.
