

YEAR 4&5 PLANNING FOR TUESDAY 24TH MARCH 2020

Dear Year 4&5,

Well done for all of your hard work so far. It really is lovely to see what an effort you are all putting into these tasks that we are setting you at home. Of course, there are a HUGE RANGE of extra activities and learning that you might be doing at home. If this is the case, don't hesitate to send me some photos or a description of the other ways that you are keeping yourself busy at home!

Here is the list of what I would like you to do today – there should not be anything here that you find too tricky but if you do need some support then let me know. Remember that I am keeping a checklist of who has completed their work and this will earn you House Points when we are back in school.

LITERACY: ONOMATOPOEIA – Sound Words

Aim: To identify onomatopoeia words and use them in creative sentences

You will find the instructions for this task in Google Classroom.

NUMERACY YEAR 5 group: IMPROPER FRACTIONS

Aim: To convert improper fractions to mixed numbers

Don't panic! This is a lot easier than it sounds and will not be too tricky! You will find the instructions for this task in Google Classroom.

NUMERACY YEAR 4: PARALLEL, PERPENDICULAR AND INTERSECTING LINES

Aim: To identify pairs of lines as PARALLEL, PERPENDICULAR OR INTERSECTING

Don't panic! This is a lot easier than it sounds and will not be too tricky! You will find the instructions for this task in Google Classroom.

ENGLISH READING BOOKS THROUGH BUG CLUB – Active Learn

On Active Learn, you now all have been allocated a Book Band with books that should be at your level. By clicking the little bug icon on each page, you will be asked questions to see if you understand the story. If you keep getting 100%, I might move you up a level. If you are finding the questions difficult, I will lower your level. So make sure to answer the comprehension questions in order to see if the books are right for you.

Example:

ee-ee-ee! ssssss! caww!

Click here for the questions.

They got out of the boat. Lots of eyes watched them.

"It's so noisy here!" Lin shouted.
"It's like all the birds and animals are shouting at each other!" agreed Ed.

Back Read to me Next 4/5 of 25

Hopefully the instructions are clear, but I will try to answer any questions or queries through the info@calpeschool.com email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,

Miss Carrie
